

CLUB INFORMATION SHEET

BMX RACE FORMAT

COMMON RACE FORMAT USED IN GREAT BRITAIN

(Please check specific details of rules for each event—there are variations)

After race register has closed all the riders are put into their race classes and sheets are then published for you to check that your name, class, plate and club is correct. Listen for the commentator to announce “Pre Sheets are posted” and after any changes are made the race officials then put the riders into their races and the race or “Moto” sheets are published so you can check which race and start lane you are in.

If there are more than eight riders in your class you will race in at least three rounds of races called “moto's”. Most domestic events use “Moto Rotation” which means if you are in a class of 9 or more riders you will not race the same riders each moto. If there are eight or less riders in the class then you will ride in four moto's in a “Grand Prix” system where your final position depends on your points from all four moto's.

PLATE	NAME	GROUP	M 1	M 2	M 3	M 4
8	DANIEL BLANCHE <i>Groove Racing</i>	ROYST	11:6	29: 1	47: 3

In each moto you will receive points relative to your finishing position (1st place- 1 point, 2nd- 2 points etc.) After the moto's your points are added together and the top riders in each class go into the quarter, semi, or main finals depending on the number of riders in the class. After the first three motos the sheets for the next round will be posted, check if you have qualified and note the race number. The fourth moto in a Grand Prix is normally run with the main finals.

Depending on the event you may find the sheets show your lane chosen by the computer or as in the format shown with “PICK SEQUENCE” where the order the riders are shown is the order they pick their start lane.

If you do not understand what you should do next, you should ask at Race Administration which is normally based near the finish line—often the same place you registered at. At larger meetings you may not be able to get to race administrator but there will always be someone from the organising club who you can ask.

If you can't find an official ask an older rider — don't be worried as they all know what it is like to be new to the sport and they will be pleased to help.
